

HOLY MOMENTS

I am concerned about the world my grandchildren are growing up in --- fear of war, identity change, uncertainty of their future plans, economy etc. What happened, how did it get this way? The uncomfortable answer --- unholy moments! Ours, Yours, Mine, everyone's, all the way back to Adam and Eve. This simple truth forces us to acknowledge our personal responsibility.

The sad thing is every unholy moment makes us less of who we were created to be, and every unholy moment makes the world a little more of a mess. When we abandon our destiny, we harm ourselves and others, make happiness impossible, and leave behind us a trail of collateral damage.

We cause most of the world's problems. It's a blunt truth, but nonetheless. We are the creators of much of our own misery and the cause of much of other people's unhappiness. Let us start fresh and new with the blossoms of May. We can do something about it. Indeed you can do something about it. Don't underestimate yourself, God doesn't.

CONTINUED

Holy moments are the solution to the world's problems. This great collaboration between God and humanity is the untested solution to our PROBLEMS. UNHOLY MOMENTS GOT US INTO THIS MESS AND ONLY HOLY MOMENTS WILL GET US OUT OF IT.

From the Director of Music/Youth

I guess spring has finally sprung and we are hopefully beyond the snow, one would hope. I would like thank all the actors that took part in the Maundy Thursday service they did a wonderful job in a short amount of time and of course our choir for the extensive preparations they put into for Holy week. I would also like to thank Rev. Dennis for all his help and support.

For those that have been joining us for The Chosen viewings on Wednesday nights, we will now be doing them every other week the new days for May are; May 3, 17 and 31st, gather at 6:00pm and begin watching at 6:30pm the evening is potluck style so please bring a dish to share. The off Wednesday nights will be; Arts & Crafts, May 10, 24 and so on. Arts & Crafts has a wide variety of projects that can be done, from card making, toll painting, wood projects, ornaments for Christmas outdoors, sewing machines are also available for use, so there is a little bit for everyone.

Sunday morning childcare for children is available on the second floor by an experienced adult and is available from 9:45 am to 11:15am, if you have any further questions please reach out. Children are more than welcome to attend worship or part of worship.

Choir meets on Thursday evenings at 7:15pm on the lower level. If you're interested in signing but Thursday nights don't work for you, not a problem we can setup a time that is convenient for you.

So if you're interested please contact me through the church office or email at stewartcrouse@comcast.net.

Building & Grounds; it's that time of year when work that can't happen during the rest of the year happens. So if you have a program, event, or church business please check ahead of time as certain areas maybe closed temporarily. This summer we would also like to work in the church garden, if you have a green thumb or just looking for something to do please let us know, we can always use the help!
